Dear Vikram Saxena:

According to our records, on March 15, 2019, you were notified that we did not receive your Statement of Economic Interest, Form 700, as Planning Commissioner for Planning Commission, which was due on March 8, 2019. We advised you to file your statement within 30 days. However, to date we have not received your statement.

Government Code Section 91013 provides that any person who files a statement after its deadline shall be liable in the amount of \$10.00 per day, up to a maximum of \$100.00. Furthermore, the City of Cupertino prohibits the waiving of any portion of the liability if the statement is not filed within 30 days after the City of Cupertino sends you specific written notice of the filing requirement.

If we do not receive your statement, our agency is required to refer this matter to the FPPC or other appropriate enforcement agency.
